Follow us

As the 2024 school year draws to a close, I want to express my heartfelt gratitude to our school community for making my first year at Landsdale truly amazing.

This year, we welcomed new staff, opened new buildings, and updated many of our internal processes. Excitingly, we are also preparing for our next building project!

It has been wonderful to witness the growth of our students, and I can't wait to celebrate their achievements at Awards Night. Celebration is a prominent theme in the Bible: the angels singing at Jesus' birth, the joy in heaven when a sinner is saved, and the banquet of the redeemed. It is important to honor the successes of the year and to recognise those who made it possible.

I encourage each of you to sit down with your child and celebrate their accomplishments, no matter how small - whether it's learning to tie their shoes, improving their reading level, or showing more kindness and self-control.

As we approach Christmas, may you also take time to celebrate the One who did everything to save us.

Thank you for an incredible year!

Mrs Sharlene Cole
Principal

Year 5/6 and Kindy on Excursion!

This week, our Year 5/6 and Kindy students set off together on an adventure to Caversham Wildlife Park to see many of Australia's unique native animals.

The students had an absolutely brilliant day with their buddies, strengthening the bonds they've been building all year. Our buddy program between the youngest and oldest primary students is a unique part of what we offer at LCS.

Thank you so much to our teachers, support staff and parents for helping make the day memorable!
