ART EXHIBITION

On Tuesday 15 October, Landsdale Christian School hosted its annual Art Exhibition, and it was an absolute hit! The school hall was brimming with excitement as students, families, and community members came together to celebrate creativity. We want to thank all students for their artwork, our Year 10 students for baking delicious treats, our Year 11 students for providing the lovely background music, our canteen ladies for their tasty samosas, and our student servers for ensuring everyone had plenty to eat. It truly was a wonderful evening!

VOLUNTEER CLEAN UP AFTERNOON

Another chance to reclaim your volunteer levy is scheduled for Friday 8 November from 4:00PM - 6:00PM. Not only will you be contributing to the upkeep of our school grounds, but you'll also be taking an important step toward reclaiming your volunteer levy. Your involvement helps foster a sense of community and pride in our school environment. Please register your attendance through the front office.

YEAR 10 CAMBODIA MISSION TRIP

Our recent trip to Cambodia was an unforgettable experience for our students, especially their time with the Light of Hope Community. This adventure pushed them out of their comfort zones and allowed them to accomplish things they never thought possible. They enjoyed a variety of activities, including sightseeing, soccer games, dining out, tie-dyeing, a river cruise, and exploring markets. They also encountered more somber moments, such as visiting the Choeung Ek killing fields. Overall, it was a journey filled with fun and significant personal growth for our students. Please see photos on Page 5.

Kindy & Pre-Primary Playground

The children are loving their new playground, which already feels old, familiar and well-loved in their minds. They are happily climbing trees, setting up spaces for role play, inventing games using the new materials, swinging, and gardening. The monkey bars and slide continue to be a big hit. The bees are loving the flower garden the children planted, the children are enjoying picking snow peas and eating them from their veggie garden, and the children are examining with interest the crop plants that are growing from planting some of the seed mix we feed to our visiting birds. It is a wonderful place for learning.
