Last Day Term 2

YEAR 11 & 12 FORMAL

On Wednesday 27 March, Year 11 and 12 students and partners, along with our dedicated teaching and support staff, gathered at the Barrett Lane function centre for a memorable 'Hollywood' themed event. The students radiated elegance in their attire, capturing moments in the garden adorned with soft overhead lights for photographs. A delightful buffet dinner was enjoyed, accompanied by lively conversations that filled the air with warmth and fun.

The highlight of the evening was the voting for the Belle and Beau of the ball, a tradition that added to the festive spirit. It truly was a fantastic evening, thoroughly enjoyed by all in attendance. We commend the exemplary conduct displayed by our students throughout the event, reflecting the values of our school community.

EVERY DAY MATTERS

As we embark on Term 2, let's remember the significance of regular school attendance for our children's success. Even a single missed day adds up over time, impacting their learning and future opportunities. Research shows a clear link between attendance and academic achievement, emphasizing the importance of prioritizing school attendance whenever possible. While occasional absences are unavoidable, it's crucial to ensure that students catch up on missed work promptly. By fostering a culture of regular attendance and providing support for catch-up, we can empower our students to thrive both academically and beyond. Let's work together to make every day count!

What's a WASN?

A WASN is the WA student number issued by the School Curriculum and Standards Authority (SCSA) at the time of enrolment.

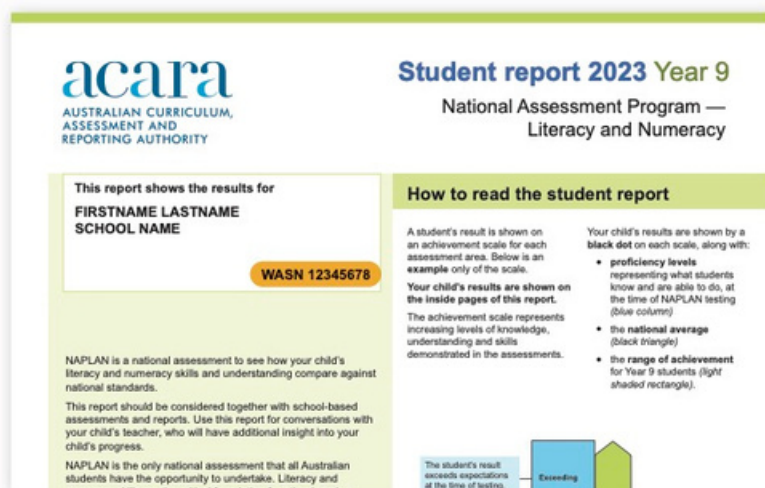

It is an 8-digit number and is sometimes called a SCSA or student number. This number can be found on school reports, including previous NAPLAN results. It may also be on a secondary student's SmartRider.

If your child is in Kindergarten or if you need assistance to identify your WASN, contact your school.
