WEEK OF WORSHIP

Last week, students and parents came to Chapel everyday to praise together, play games and hear from Pastor Rahel, Pastor Travis and Pastor Sela in our annual Week of Worship (WOW). We finished the week with a beautiful church service from Embrace Church.

Pastor Rahel, who is from Melbourne, spoke on how God wants to connect with us through the story of Samuel, found in the Bible. Students learned about how God may seem hidden, but is still active in our lives and that He is always wanting to connect with us so we can share and connect with others.

At the end of the week, students from Year 3 upwards were given some options on if and how they would like to connect with Jesus going forward, such as joining a bible study group, joining Adventurers or exploring what it looks like to commit your life to Jesus. We are excited to get these groups started and follow up on the decisions made in consultation with the students, their families and teachers. Please pray for our students as they grow into young people who share hope, love and connection.

Mother's Day Morning Tea

On Friday 10 May, we held a special morning tea after our Week of Worship Chapel service for the mothers in our school community.

Pre-Primary and Year 1 students sang two worship songs and Year 5/6 students handed out fresh flowers to all the mothers. After Chapel, mothers and their students enjoyed photos at the balloon arch and a delicious morning tea of fruit, cake, slice, donuts, biscuits and hot drinks.

We hope you all had a wonderful time!

Year 9 Urban Day

On Tuesday, our Year 9 students embarked on an exciting adventure into Perth City.

Through navigating public transport, they showcased autonomy and their growing independence. They had a great time working in their groups to complete an Amazing Race activity where they used their problem-solving skills to visit key landmarks and sites in the city. Congratulations to the Year 9s for their wonderful performance and for creating a memorable experience.

World War One Memorabilia

In HASS this semester, our Year 9s have been studying World War One.

Our Year 9 students had a special class last week exploring a World War One Memorial Box from the Army Museum of Western Australia. They got to examine things like letters, uniforms, maps and medals that told stories about the war.

This activity was also a part of what they learned in Year 9 HASS, where they studied history and learned to think carefully about the past. By touching replica historical artifacts, they could understand better how war affects people and communities. Some of our Year 8s also enjoyed exploring the contents of the box.

COMMUNITY NEWS

The Boost Program

Do you want to know more about how to help your child learn

Boost provides information to **parents and caregivers of children in Kindergarten to Year 2** about how literacy skills develop.

It looks at:

- the sounds in words
- putting sounds and letters together
- how to be a good reader and speller
- building vocabulary and reading comprehension skills

A **FREE two-part workshop** will be held at Girrawheen Library on **Thursday 6 June and Thursday 13 June 2024 from 9:30am to 12:30pm**. It is important to attend both sessions. Morning tea will be provided.

All participants will receive a 'Literacy Pack' containing an information booklet, games, and other resources to support what is covered in the workshop.
