MS Readathon!

This August, our students have an exciting opportunity to make a difference by participating in the MS Readathon, where they will be supporting children with multiple sclerosis (MS).

Last year, Aussie kids collectively read an impressive 181,903 books! Children can read anything they enjoy - whether it's comics, magazines, novels, or even listen to audiobooks - because every book read counts towards our goal.

When: 1 - 31 August 2024

Who: LCS students

How: Share this sponsorship link with family and friends to support us in reaching our fundraising goal of \$500: [MS Readathon](#).

Thank you for supporting our students as they embark on this inspiring journey of reading and making a positive impact in the lives of others.

West Oz Wildlife

On Monday 22 July, West Oz Wildlife visited Pre-Primary to show us some native animals.

"Gumnut the koala was very cute. We all got to pat him and he felt soft."

"Ginger the woma python was huge! We all patted her and she felt smooth and cold."

"Rex the Stimpson's python was cute. We got to have him sit around our neck if we were comfortable for that to happen!! Most of us were very brave!"

"Biscuit the bobtail has a very blue tongue and loves to eat strawberries. She felt bumpy when we patted her."

All the students had a wonderful experience with the animals. Thank you West Oz Wildlife for visiting!

Book Week 2024

Week 6 is going to be an exciting celebration of all things books - it's Book Week!

We've got a fantastic line-up of events planned, including a vibrant book fair where you can explore a wide range of titles and find new favourites to catch the reading bug! Don't miss our dress-up parade, where you can come dressed as your favorite book character and join in the fun with fellow book lovers on Friday 23 August.

Stay tuned for more details and prepare for a week full of literary adventures!

PACER Funding for Year 11 Trip

Year 11 students from our school will soon be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage, and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion, the Australian Government is contributing funding to our school in the amount of \$510 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

COMMUNITY NEWS

Open Night!

Open Night on Tuesday 30 July was a wonderful evening showcasing our school with tours, open classrooms, cupcake decorating, explosive science experiments, giant bubbles, board games, bean bag toss, art lino printing and laser cut key making. We wanted to share feedback from one of our prospective families:

"I particularly wanted to feedback to commend the students that showed our family around the school. These students were so polite and well spoken and I was so impressed with the way they conducted themselves."

Thank you to all students and staff who assisted on the evening. Your commitment to our school is truly commendable.
