FROM THE PRINCIPAL

Last week, when I arrived at school, I looked up and saw a double rainbow! It was a wonderful reminder of God's many promises to us. These include promises of peace in His presence, salvation through Jesus, and blessings that He gives us abundantly. We have truly been blessed with amazing students!

As we finish this term, I want to give a big thank you to the Prefects of 2024 for everything they have done for our school community. We can all be proud of our students and how they represent our school, both on and off the grounds.

Mrs Sharlene Cole
Principal

UNIFORM SHOP - OPEN NEXT WEEK

In Term 4, students make the change back to Full Summer Uniform. The Uniform Shop will be open next week (Week 10) to allow parents to update their student's summer uniform, and in the holidays on **Tuesday 1 October between 9:30am -11:30am.**

SCHOOL FEES - TERM 4 DISCOUNT

Option B, Term 4 fees are due by **Friday 18 October** to receive the 2.5% discount. If you have requested this to be deducted from your account or credit card, this will occur automatically.

As always, if you are experiencing financial difficulties, please contact Mandy Walker at 9309 1830 or mandy.walker@lcs.wa.edu.au to arrange an alternate payment plan.

The Latest News

Art Exhibition

We warmly invite our families and the broader community to join us for our annual art exhibition. This event will highlight the creative talents of our school students as well as members of our extended school community.

Enjoy refreshments and live music performed by our students from 6:00pm on 15 October.

Register your interest here - [Register To Attend!](#)

African Drumming Incursion

On Thursday 5 September, Akwaaba African Drumming came to school and provided drumming lessons to our students!

Akwaaba ("uh-kwaa-buh") means "welcome" in the Akan language from Ghana. Kofi (Paul) Osei from Akwaaba has a vision to use traditional African drumming and music as a tool to promote harmony and cultural understanding within the West Australian community.

Our students had a wonderful time learning rhythm with Paul and we would like to extend our heartfelt thanks to him for his time.

You will find Paul's website here [Akwaaba](#), and can also browse African art and handicrafts through his shop at the Wanneroo Markets.

The Latest News

Year 9 HASS Elections

Last week, our Year 9 HASS students conducted their class presidential elections, complete with polling booths for voting.

Each party leader gave an inspiring speech about their plans and ideas, making it clear what they stand for. The presentations were not only informative but also really engaging.

We were really impressed with how our students jumped in. It was awesome to see them so engaged and eager to learn about politics.

Year 11 & 12 Outdoor Education

This camp was challenging to say the least.

Our initial expectations painted a picture of manageable difficulty, yet the reality surpassed these assumptions. As we ventured into nature's embrace on the first day, a serene calm settled upon us. Under the night sky, we found ourselves captivated by a sea of stars, etching a memory that will endure.

This experience shifted our perspective from the confines of a technology-driven existence to the breathtaking panorama of flora and fauna, marking a profound transformation sparked by this unforgettable journey.

Experience ECU Day | Friday 27 September Medical & Health Sciences | Year 11

Time of event: 9.00am - 3.30pm

Venue: ECU Joondalup Campus, 270 Joondalup Drive (Meet: Building 8.101 Lecture Theatre)

Experience what it's like to study at Edith Cowan University. You'll be able to explore our campus, meet academics, ask questions of our current students, find out about our courses and learn about our entry pathways. Experience what ECU has to offer by taking part in a variety of workshops in our real-world facilities. This program aims to give you an insight into what it's like to study Medical and Health Science courses at ECU.

Participants go into the draw to win awesome prizes! ALL students must be registered to attend. This event is FREE.

Session Outlines | Students participate in all sessions.

3D Food Printing

Step into the future of food, where you'll see how 3D printing is turning ugly fruits and veggies into amazing edible creations. Learn how this cutting-edge tech transforms pureed produce into cool designs, making meals more fun and enticing for everyone, from kids to the elderly. Plus, find out how this innovation fights food waste and helps people stay healthy, all while pushing the boundaries of what food can look like!

Hair DNA

Embark on an intriguing journey into Forensic Science and unravel the secrets hidden within strands of hair through microscopic hair analysis. Explore how examining hair under a microscope becomes a powerful tool in criminal investigations by uncovering the distinctive features and unique clues that strands of hair hold, and gain access to ECU's state-of-the-art SuperLab.

Leap into Action

Step into the world of human performance with the School of Medical and Health Sciences' dynamic workshop. Delve into the fascinating intersection of physiology and movement as you uncover the secrets behind reaction time and jump height. Through engaging hands-on activities, participants will gain a deeper understanding of the factors influencing these key metrics of physical prowess. Join us as we leap into action and uncover the science behind human agility and athleticism.
