If you would like to have a tour of our school (or if you would like another look), please contact me and one will be arranged at a time that suits you.

Landsdale Christian School is situated at 77 Queensway Road, Landsdale. The school offers Christian education for students from Kindergarten to Year 12.

The school is based around Christ-centred learning. We provide an environment where the morals and values taught at home are reinforced at school. For this very reason the school – home relationship is one we consider to be of great importance. Landsdale Christian School aims to develop excellence in every area of student development and calls upon parents to work with us in helping our students achieve their goals. Families joining our school are invited to become active in our school community by assisting whenever possible, through volunteering or joining our Parents & Friends Association to aid in the smooth running of our school.

The future of Landsdale Christian School is very bright. The School Council has a clear vision to continually grow and develop our school, from Kindergarten right through to Senior Secondary. The school is situated on 4.4 hectares (11 acres) with plenty of room for future growth and activities, which will promote student engagement within a natural setting.

Enrolment at Landsdale Christian School is open to all families from any culture or faith background, who recognise the value of a Christian education for their child. Please feel free to contact the school at any time if you have further questions. My staff and I are here to assist you and your child.

Thank you once again for considering Landsdale Christian School for your child's education.

Yours sincerely

Dr Lee Walker
