Students viewing 'Bubsie', the first car to travel around Australia.

100 YEARS OF HISTORY

During Monday's Chapel, our students experienced a unique piece of history with a visit from the replica of Bubsie - a small Citroën car that made history as the first vehicle to journey all the way around Australia.

Our school was proud to be part of The Incredible Journey tour, marking 100 years since Nevill Westwood, a student from our sister school Carmel Adventist College, completed his remarkable mission trip around Australia, sharing the story of Jesus. Students had the opportunity to hear the inspiring story behind Bubsie and see the lovingly recreated replica, named just as the original was, by Nevill himself. A heartfelt thank you to the team from The Incredible Journey for including us in this wonderful celebration!

PRIMARY SCHOOL CROSS COUNTRY MEDALISTS

We are incredibly proud of our amazing Primary School cross country medalists!

They took out First, Second and Third place in the recent whole school cross country and were awarded their medals at last week's assembly.

Well done champions!

SHOPPING IN KINDY

On Wednesday, the kindy kids helped to set up their own new play centre. They have chosen to sell fruit and vegetables, toys, plants, and treats!

They have created sale signs, price tags and set up a cash register. Now they just need cash and credit cards.

The queue is outside the shop, reminding us of Covid queues, as everyone is keen to get in and have a turn.

If parents have any empty boxes for items which might be sold in a shop, please feel free to drop them off at Kindy.
