

# PARENT COMMITMENT STATEMENT

**As a parent of a student enrolling at Landsdale Christian School I understand:**

- That the school is operated for the benefit of families to deliver quality Christian education.
- That the school must receive my full support in order to provide the quality programme that I desire for my child.
- That my support includes the maintenance of my child’s enrolment for the full school year within reasonable circumstances.
- That at least one term’s advance notice must be given in writing if a child is to transfer to another school, otherwise a term’s fees will apply and be payable.
- That my participation in school support programs is vital to the school’s ability to maintain many of its functions.
- That the quality of my child’s behaviour must be managed through cooperation between the home and the school.
- That my positive commitment to and promotion of the school will enhance the school and its programme.
- That the school’s values apply to students wherever they are identifiable as a student of Landsdale Christian School.

**Therefore, I commit myself/ourselves to the following:**

- I will promptly settle all school accounts.
- Within reasonable circumstances, my child will continue in their enrolment in the school for the full school year. If not, I will notify the school in writing and provide at least one term’s notice.
- I will participate in and give support for school improvement and development programmes whenever possible.
- As far as possible, my child will participate in school-based presentations, such as concerts, community presentations and similar events, some of which may occur on weekends.
- I will support the school’s program to ensure cooperative and supportive student behaviour.
