WELCOME TO TERM 1!

Welcome back to a brand-new year at Landsdale Christian School! We are so happy to see everyone here, from Kindy to Year 12. A special welcome to our new students and families. We are excited to have you as part of our school family and look forward to seeing you throughout the year.

Our theme for this term is hope. Hope means setting goals and taking steps to achieve those goals. Research shows that hope improves wellbeing by reducing stress, easing anxiety, and strengthening resilience.

Setting goals can feel difficult in an uncertain world, but the Bible reminds us in Jeremiah 29:11, "For I know the plans I have for you... plans to give you hope and a future." When we trust in God's plan, we find strength and direction, knowing that His hope will guide us forward.

This year, our school has some exciting changes. We are growing! New buildings are being finished with the goal for us to be able to use them in Term 2. These will be amazing spaces for learning, creating, and connecting.

We are also welcoming new staff who will bring fresh ideas and support to help our students succeed. Together, we will work hard to make sure learning is fun, engaging, and meaningful.

Let's make this a great year, filled with hope and success. We can't wait to see all the wonderful things you will achieve!
