FROM THE PRINCIPAL

As Term 1 ends, I reflect on the many blessings our school has experienced. Our theme, *Hope*, has been evident in our students' dedication and service both inside and outside of the classroom. I am incredibly proud of their involvement in Jump Rope for Heart, raising funds for heart disease research. Their leadership in weekly chapel programs and Week of Worship (WOW) was inspiring, showing their faith in action.

We are also excited about the near completion of our new demountable buildings, with only paving left to finish. Classrooms should be set and ready for our high school students early next term. This has been a big journey, and I thank you for the patience shown during the construction phase.

A heartfelt thank you to our canteen ladies, parents, volunteers, teachers, aides, and admin staff - your dedication makes our school excellent.

As Mark 9:23 says, "Everything is possible for one who believes." Wishing you all a safe and restful holiday.

Mrs Sharlene Cole
Principal

UNIFORM SHOP - OPEN DAY IN HOLIDAYS

Winter Uniform is required for Term 2. The Uniform Shop is open during the holidays on **Wednesday 23 April between 9:00am - 1:00pm** for any final purchases. Please register [here](#) to attend on that date.

BLOOM FUNDRAISER - STILL TAKING ORDERS!

Our Year 10 students are raising funds for their upcoming Cambodia Service Trip, where we will support the Light of Hope school and orphanage. To order beautiful wildflower seeds, order [here](#).

THE LATEST NEWS

consent2go

Landsdale Christian School has partnered with Consent2Go to streamline event and excursion management. This digital platform allows parents to keep their child's health records up-to-date and allows secure, timely consent for school activities.

Over the next two weeks, parents will be receiving an email to register and update their student/s details securely.

Why the Change?

To enhance student safety and comply with regulations, Consent2Go replaces our paper-based permission process. It simplifies updates to student information and ensures seamless communication about school excursions, incursions, and camps.

With a user-friendly parent interface and mobile app, Consent2Go allows access to student details anytime, anywhere. It also meets all national privacy requirements and aligns with Landsdale Christian School's Privacy Policy [here](#).

Please email admin@lcs.wa.edu.au if you are experiencing any difficulties registering and updating student details, or call us on 9309 1830.

Keyed Up MUSIC

Is your student ready to embark on an exciting musical journey? Landsdale Christian School is thrilled to offer students the incredible opportunity to learn guitar and piano with the talented private tutors from **Keyed Up Music** - all during school hours! Available for PP - Year 12.

Why Learn an Instrument?

Playing an instrument boosts creativity, enhances cognitive skills, and builds confidence. Whether you're a beginner or looking to refine your skills, the supportive environment at Landsdale, combined with Keyed Up Music's talented tutors, makes for an enriching experience.

Convenient and Accessible

With lessons scheduled during school hours, it's easy to fit music into your day without the after-school rush. Enjoy the convenience while developing your musical talents!

THE LATEST NEWS

YEAR 7 ENCOUNTER

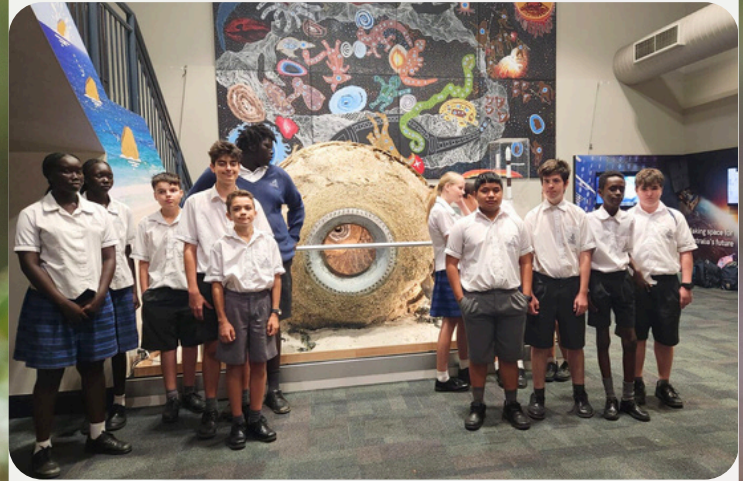

The Year 7 Encounter class has embarked on an exciting journey to study the incredible work of Creation. This term, students are diving deep into the theme of how God's unique ideas and designs far surpass anything we can create ourselves.

To bring this concept to life, each student was given a pot of play dough to engage in a hands-on creation experience. The activity encouraged them to let their imaginations run wild as they sculpted their own unique designs. This not only allowed them to express their creativity but also served as a reminder of the beauty and complexity of God's creations in the world around us.

Mrs Michelle Walker
Encounter Teacher

STEM EXCURSION

On Thursday 27 March, Year 9 students, along with STEM students, embarked on an exciting excursion to SciTech. The day began with a captivating session titled "It's Elementary," exploring the fundamental elements that make up everything around us.

During this interactive presentation, students enjoyed fun demonstrations involving fire, water, and air, with impressive bangs from reacting hydrogen gas, showcasing the surprising ways elements can mix and change!

Following the presentation, students participated in a hands-on workshop where they used sensors and data analysis to refine their prototypes focused on road safety. This experience enhanced their understanding of scientific principles and encouraged teamwork.

After exploring the floor exhibits, the students headed to the planetarium for a presentation highlighting Australia's rich history. Overall, the excursion to SciTech was an enriching experience that combined fun, education, and a deeper appreciation for the sciences.

Mrs Cecelia Selby
STEM Teacher

THE LATEST NEWS

WEEK OF WORSHIP 2025!

Last week, we experienced our inspiring Week of Worship (WOW) at Landsdale Christian School! This year, we explored the theme "The Way," deepening our understanding of God together as community.

THE LATEST NEWS

YEAR 4/5/6 EXCURSION

This week, our Year 4, 5 and 6 students visited Canning River Eco Education Centre, investigating macroinvertebrate communities to learn about biodiversity and water health, identified local waterbirds using binoculars and survey techniques, and used a catchment model to understand how land use impacts the environment. Our students had an amazing time!

THE LATEST NEWS

YEAR 4/5 PUT ON THE ARMOUR OF GOD

This term, our Year 4/5 class explored the concept of putting on the Armour of God.

We learnt about each piece of the armour and how it helps us stand strong in faith. We also looked at the life of David and saw how he demonstrated these qualities in his own challenges. Working in small groups, we created cardboard models of the armour, using our creativity to bring our learning to life.

It was a fun and meaningful way to reflect on how we can be spiritually strong every day.

Mrs Sara Foster
Year 4/5 Teacher

YEAR 11/12 OUTDOOR ED

It's the end of the term, and the Senior Outdoor Education students have been reflecting on all they have done during Term 1, including stocktake of all the equipment available as part of the LCS Outdoor Education program.

Due to the unseasonable heat wave of recent weeks, students took shelter indoors and tested the tents that they will be using throughout the year on hikes and camps. They also had the chance to test their cooking skills with mobile *Trangia Stoves*, cooking rice, soup and noodles; ideal skills for cooking on the go when outdoors. They also took stock of all the other great equipment available, such as snorkeling kits, hiking packs and camping tools.

We look forward to being able to draw on all these resources in the coming months.

Mr Brendan Dwyer
Outdoor Education Teacher
