WEEK OF WORSHIP

Week of Worship (WOW) is next week, taking place from **Monday 31 March to Friday 4 April**, followed by our High School Hang-Out on Friday evening. Throughout this week, students will come together each day for Chapel, where they can participate in uplifting songs, enjoyable games, and inspiring talks from our guest speaker, Pastor Sean Tavaí, and from high school students Layan, Epsilon, Azariah and Sienna. Together, we'll explore our theme this year, "*The Way*," and deepen our understanding of God in a joyful and supportive community. We would love parents to join us! Primary School Chapel during Week of Worship starts at 8:50am (Monday - Friday), and High School Chapel starts at 11:10am (Tuesday - Friday).

CUDDLY ANIMAL FARM

On Thursday 20 March, the Year 1 and 2 students went on an excursion to the [Cuddly Animal Farm](#) in Henley Brook. We saw rabbits, guinea pigs, birds, cows, goats, horses, ponies, camels, dingoes, peacocks, chickens, kangaroos, deers, pigs, geese, alpacas and sheep.

We got to feed some of the animals and cuddle some too. Then there was a playground, merry-go-round, tractor ride and bouncy castle.

We had an amazing time and lots of fun. Thank you to the parent helpers Mrs Sharp, Mrs Reynolds and Mrs de Vries.

STUDENT SPOTLIGHT

New Horizons in Music: Hollie Isabella's 'All I Can Say' Released on 14 March 2025.

We're thrilled to announce that one of our Year 12 students, Hollie Isabella, has reached a significant milestone in her music journey with her new single, *All I Can Say*. The song is now available on all major streaming platforms and captures the bittersweet essence of growing up.

Hollie shared that the song was inspired by the realisation that each year brings childhood further out of reach. It reflects feelings of being left behind and the helplessness of watching others succeed while remaining on the sidelines. *All I Can Say* conveys the struggle to hold onto childhood as it slips away, expressing the pain of feeling deeply in an environment that may not validate those emotions.

Hollie described the exhilarating experience of transforming her song from a simple voice memo into a studio recording. She expressed gratitude for the support she's received and is eager for listeners to experience her work. We are very proud of her achievement!
