### SCHOOL IMPROVEMENT SURVEY

There's still time for parents to have their say - **the School Improvement Survey is open until 31 May**. It's quick, completely anonymous, and provides meaningful insights by comparing results with thousands of schools across the country. The survey link and instructions were emailed to parents last week. Don't miss the chance to be heard!

### FUNDRAISING STALL FOR CAMBODIA - FRIDAY 30 MAY

Our Year 10 students will be running a fundraising stall for Light of Hope, the school we support through our annual Year 10 Mission Trip to Cambodia. A variety of handmade items are available, including:

- **Fresh honey**
- **Fabric baskets** perfect for stationary, food, toys, accessories
- **Handcrafted pen holders** with notebooks.

All items are priced at \$5 each (cash only), and are available to both parents and students throughout the day.

### PRIMARY SCHOOL PRODUCTION - GIANT SLAYER!

Join us on 25 June for an unforgettable performance of *Giant Slayer* - a fantastic musical production based on the legendary Bible story of David and Goliath. More information on page 4.

### UNIFORM SHOP

Regular open hours for our Uniform Shop are Wednesday 8:20am - 9:00am and Thursday 2:30pm - 3:00pm. Parents are welcome to email orders through to [admin@lcs.wa.edu.au](mailto:admin@lcs.wa.edu.au) if they know which sizes are required.

## INSPIRING GROWTH: LEADERSHIP CONFERENCE

Last week, Mrs Cole, Mrs van der Westhuizen and I had the privilege of attending the 2025 ASANZPUC Education Leadership Conference in Adelaide.

Centred around the theme “Flourish”, the conference brought together Adventist education leaders from across Australia, New Zealand, and the Pacific to engage in inspiring keynote sessions, collaborative leadership forums, and spirit-filled worship.

The experience was both enriching and empowering, equipping our team with fresh insights and strategies to strengthen our school community.

We are excited to apply what we’ve learned to continue cultivating a Christ-centred environment where both students and staff can thrive.

Mr Brendon Quick  
**Head of Secondary**

## ATOMI: RESOURCES FOR PARENTS

# atomi

### FREE Resource for Students & Parents

Landsdale Christian School provides all students in Years 7-10 and ATAR students in Years 11-12 with access to Atomi, an engaging online learning platform used in class and at home. Parents can also log in using their child’s account to support learning beyond the classroom.

### Why Use Atomi?

Atomi offers:

- Short, engaging video lessons
- Interactive quizzes and personalised feedback
- Year-level support from Years 7–12

It’s perfect for helping with homework, assignments, and revising key concepts.

### Get Started in Two Steps

1. Check your child’s school email for an activation link from Atomi
2. Follow the setup instructions or visit the [activation support page](#) if you need help.

### Parent Tip:

Watch the intro video for your child’s year level in this [video folder](#) to see how Atomi works.

### Ask Your Child:

- “Have you activated your Atomi account?”
- “What do you like most about it so far?”

## PRE-PRIMARY HOSPITAL INCURSION

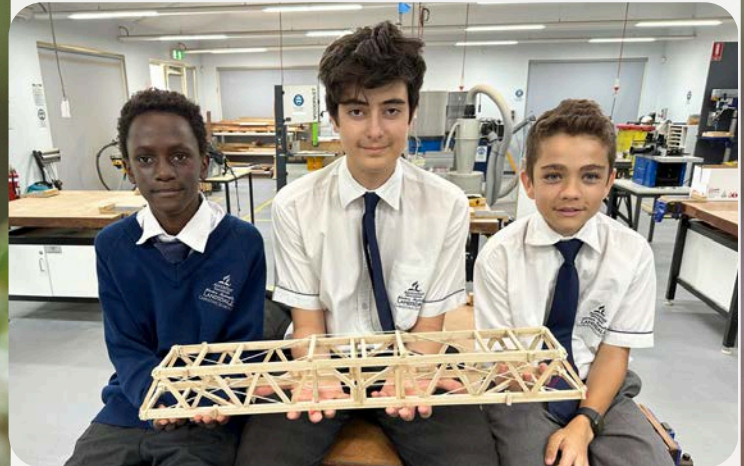

On Wednesday 14 May we had a great incursion presented by Amanda from AWCHWA, an organisation that advocate for the rights of every child to have health education, including preparation for medical treatment and hospitalisation.

We had a great time interacting with the many activities that were set up in our classroom. We used real bandages and dressed up as nurses and doctors, played with some great medical toys and puzzles, got to ride in a real wheelchair and read some lovely children's books, amongst other fun things.

Mrs Tanya Hort  
**Pre-Primary Teacher**

## STEM: BRIDGE BUILDERS

As part of our STEM program, Year 8 to 10 students are provided real world challenges, and are tasked with researching, designing, and implementing a practical solution to these problems.

During Term 1 of this year, our students were requested to design a bridge to hold the maximum amount of weight possible. Students were asked to meet specific design requirements, including dimensions, with the construction of their bridge being achieved using only the limited quantity of supplied materials.

Their completed bridges were recently loaded onto a specially made framework ("bridge breaker") where each bridge was exposed to increasing downward force until the first signs of bridge failure occurred.

While the final result was very close, with only 2 kilograms separating the teams, Ryan, Zekiah and Nelex were victorious.

Mrs Cecelia Selby and Dr Lee Walker

## YEAR 6 CAMP

Year 6 students have had a fantastic time at camp, taking on a range of exciting activities including abseiling, crate challenges, ropes courses, and archery. Many stepped out of their comfort zones, showing courage, teamwork, and determination. In between adventures, students enjoyed shared meals, time with friends, and moments to recharge. When asked about their favourite parts and proudest moments, their answers reflected personal growth, new friendships, and plenty of fun! **Mrs van der Westhuizen | Head of Primary**

## KIDS CLUB

### KIDS CLUB

7<sup>TH</sup> JUNE, 2025

3:00 - 5:00 PM

AVELEY COMMUNITY BUILDING 22  
BOLERO ROAD AVELEY 6069

Kids Club is a fun, creative space where children can explore the Bible and build friendships with others in the local community.

#### Each session includes:

- An engaging Bible story
- High-energy action songs
- Exciting craft activities
- Tasty snacks

This term's theme is "Maker Fun Factory", where kids will discover that God created everyone with a unique purpose.

Led by one of our church pastors – and proud parent of one of our students – Kids Club is a great way to connect, learn, and grow together. We'd love to see you there!
